

WEIGHTED AVERAGE RATE ON THE CASH

FOREIGN EXCHANGE MARKET OF UKRAINE

AND ITS ROLE IN VALUE ASSESSMENT

November 20, 2022

Currently, the situation in Ukraine is such that the National Bank of Ukraine fixes the exchange rate of the UAH to foreign currencies, as well as the official rate of the NBU, and allows commercial banks to independently set the ready exchange rate.

Weighted average rate on the cash foreign exchange market of Ukraine and its role in value assessment
